

ERRATUM

Open Access

Erratum to: Physical fitness of Ghanaian physiotherapists and its correlation with age and exercise engagement: a pilot study

Ajediran I. Bello, Emmanuel Bonney* and Bridget Opoku

Erratum

After publication of this work [1], it was noted that we inadvertently failed to include the complete list of co-authors. This has been corrected here, and in the original article. We apologize for any inconvenience this oversight may have caused.

Competing interests

The authors declare that they do not have any competing interests.

Authors' contributions

BO & AB performed the research, AB drafted the manuscript, EB analysed the data and contributed to preparation of the manuscript. All authors read and approved the final manuscript.
